

# ALBERT RAMIREZ

## FRONT-END DEVELOPER

### WORK EXPERIENCE

---

#### FRONT-END DEV & DATA MANAGER I 2022 JUN - PRESENT

<https://aidforaids.org/>

#React #React Native #TypeScript #Azure #ReduxToolkit #Python #UnitTests #StyledComponents

- Using frameworks such as React and React Native to bring concepts to life, optimizing the user experience developing reusable components according to the design requirement.
- Implementing Hooks (State, Effect, Context, Customs) creating tools that improve site interaction regardless of the browser to allow patients to keep track of their appointments and medications needed for treatments.
- Working in an agile environment with daily stand-ups, kept track of user stories/bugs/tests in Azure.
- Collaborate with back-end developers and web designers to improve the usability.
- Maintained documentation of data management processes, procedures, and protocols to ensure compliance with regulatory requirements.
- Analyzed and interpreted data to identify trends, patterns, and insights that informed business decisions.

#### FRONT-END DEVELOPER I 2021 SEP - 2022 SEP

<https://platzi.com/master/>

#React #JavaScript #GitHub #Hooks #UnitTests #StyledComponents

- Assisted in building UI for a Booking Service working in an agile environment with daily stand-ups, kept track of user stories/bugs in GitHub.
- Developed components, services, and pages.
- Used forms, hooks, and filters.
- Collaborate with back-end developers and web designers to improve the usability.
